- 5 Year Warranty on Acrylic Shell
- 12 Month Full Warranty
- Trueform Prides Itself on Manufacturing Good Quality "Family" Priced Spas

Spa Quip supply all our Controllers & Pumps

**First 12 Months full on site service
Second 12 Months bench warranty
(Send unit to factory for free repairs)**

**New Zealand Manufacture
After Warranty Spares always available**

Supplied at reasonable prices

Electrical Installation:

Spa's require a separate 15 amp supply that is RCD protected. This should only be carried out by a registered electrician.

All prices include GST, freight to Gisborne, cedar cabinet, lockable hardcover, start up chemical pack, tuition in use and care.

Note:

- To help us keep prices competitive, minimum of 2-3 persons to be on hand to unload spa.
- Promotional Spas are Cash and Carry
 - Payment Strictly on Delivery of Spa

SPA POOL FACTS

Insulation

We insulate the Spa Pool Shell only.

Fact: Fully filled cabinets do conserve more heat.

Fact: Fully foamed cabinets are nearly impossible to repair should a fault occur and can result in rot and mould in the insulation.

Fact: Polystyrene foam can loosen pipe work from jets over a period of years due to expansion and contraction.

Fact: Full foaming can be easily compensated for by installing batts or any other insulation material in the Spa cabinet after installation.
